

SEATON & HILLHEAD RESULTS

Hope you all enjoyed your runs. There were a few route choice variations, in particular between 13 & 14. Fortunately no gates got locked this time, though I was a little concerned that the walled garden might get closed before we were through. Thanks to Ian and Rob for getting in the controls for me just before it got dark.

Overall we feel the series has been a success and we'll do it again next year, hopefully with a bit more publicity to get some more new faces along.

Very well done to Jack Gomersall for beating the big boys to be the overall winner of the series. Jack will receive his prize at the AGM in December.
