This was the biggest turnout we have had for a Summer Series Event in the last two years (only other over 50 was Scolty in July 2018). Apologies for running out of Long Tech maps (and thanks to those who had run and gave up their maps) but the usual demand is below 25.

Many thanks to Ian Hamilton, Sam and Lesley Gomersall, Bob Daly and David Esson for assisting in putting out and/or collecting controls.
